WHAT'S THE BUZZ AT HERSHEY MEADOWS

Please observe safe driving speeds when traveling through the community. We urge all residents and their guests to drive with caution, especially around corners or blind turns. This is for the safety of everyone in the community. If you witness any vehicle not abiding by posted signs, please notify the police department and the leasing office.

When you receive your newsletter each month, chat with your neighbors to make sure they received it as well. If they have not, it may be because we do not have record of their email address, or the email address they provided us is no longer accurate. To be added to our email list, please call the leasing office and provide your name, address, and email.

Welcome New Residents

Have you recently moved in to the community? A Resident Questionnaire was probably given to you in your move in packet, and we would appreciate your time in filling this out. The Property Manager reviews each of these, and utilizes it in taking any necessary steps to ensure that we are providing the best service and quality to you as a valued resident. Can't find the Questionnaire? No problem! You can [complete a review online](#). Thank you for your time and valued feedback!!
